

# Junos Pulse VPN Client for Windows LCE Laptops Only

(VPN connections allow you to work outside of the office from your LCE laptop just like you do inside of the office)

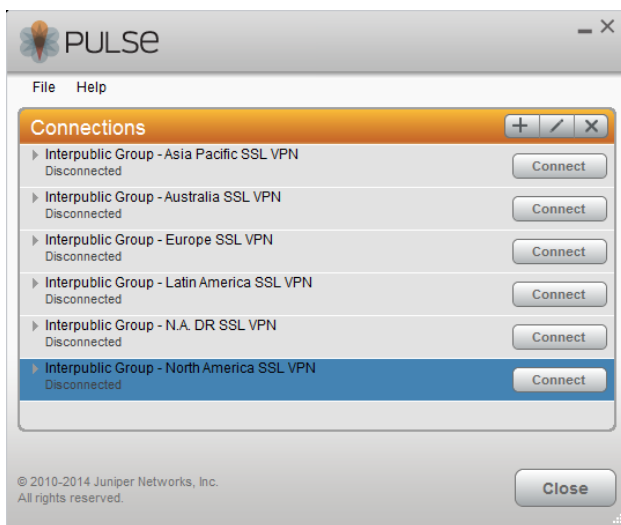

1. Click on Start  > All Programs > Juniper Networks Folder > Junos Pulse Folder > Junos Pulse. 

3. Select IPGNA\_Windows & click **Connect**

2. Connect to Interpublic Group – North America SSL VPN.

4. Login with your LCE credentials
